In response to your request for additional information dated June 4, 2012, regarding the apparent duplicate 48-hour notices, the Committee acknowledges that the contributions reported from the American Hospital Association PAC for \$5000 on the reports filed on 3/12/12 and 3/15/12 were in fact duplicates of the contribution filed on 3/10/12. In addition, please note that the contribution filed on 3/15/12 from Susan Shea for \$1000 was also a duplicate of the contribution filed for her on 3/12/12. An error in choosing the start date for the 3/12 and 3/15 reports created these duplication errors. The 48-hour notices for those dates will be amended to fix the reporting error.

Please let us know if we can provide any further information.

Regards,

Jeanette Hunter, Treasurer
